FEATURED DOGS

This good looking group of German Shepherds happened to all come in on the same day. Even though each is a frequent guest, it was special to have them all together. Sitting left to right is Emmie, Hope, Fritz, Max and Buddy.

WHAT EVERYONE'S BARKING ABOUT

The snow took us all by storm, but the dogs that were able to slide their way here, had great fun playing in their winter playground. They did the usual running, chasing and sniffing, but the ball getting buried in the snow and digging it out, added to the fun. The pool was transformed into an ice maker. It was great fun breaking the ice apart and chewing on it and some even carried pieces of ice, like a prize!

UPCOMING EVENTS Our next classes will start the first week of February. We will be offering Basic and Advanced Obedience.

Basic Obedience to gain control, socialization and confidence.
